A Practitioner's Guide: CIVIL TRIAL Practice in the Superior Court of the District of Columbia (2004 Edition)

Edited by Nicholas S. McConnell

Since its first publication, this Guide has become an indispensable aid to trial lawyers, regardless of experience, in litigating matters before the Superior Court of the District of Columbia. Now updated to account for changes over the past decade, the Guide's succinct discussion of all major topics – with "Practice Notes" throughout the text alerting attorneys to opportunities and pitfalls difficult to discern from a mere review of the court's civil rules – assures that this text will remain a desk top "must have" for litigators in the Superior Court. The Guide includes annotations to the rules, citation to leading cases and applicable statutes, standing orders on a wide variety of matters, and forms for practice specifically approved by the Court.

1. Overview of the Court and the Civil Division
2. Initiating the Action
3. General Litigation Procedures
4. Class Actions
5. Scheduling and Track Assignments
6. Pretrial Discovery
7. Motions Practice
8. Alternative Dispute Resolution
